TIMESLIP

Game Design and Programming: JOHN WILLIAMS
(Keyboard or Joystick Operation)
(One Joystick required)

Instructions for Play

YOUR TASK: Destroy the orbs and synchronize Time in all three zones to 00:00 Hours, within 24 hours, or else!!!
TIMESLIP . . . TIMESLIP . . . Zone can only be set to Zero Time after the destruction of all the orbs in that zone.
ZONE 1: Planet surface . . . starfighter at your disposal to seek and destroy the orbs.
ZONE 2: Jet through underground caverns, avoiding **ALL** the dangers . . . seek out the orbs.
ZONE 3: Mini-sub . . . seek out and torpedo the orbs.

HAZARDS:
After every five collisions, a **TIMESLIP** occurs, shifting the Time clocks in all three zones.

ZONE STATUS:
'FROZEN': Zone is frozen in Time.
'SELECT' (flashing): Shows which zone will scroll when play commences.

'LOCKED': Displays zone actually in play.
'FREE': Zone will stop scrolling at the next hour mark on the timer.

CONTROLS:
A joystick, in Port Two, is recommended, but the following keys can be used: UP: Return Key, **DOWN:** Shift Key, **Left:** A Key, **Right:** S Key, **Fire:** Space Bar/Joystick Button. To commence play, after a zone has been selected using the Shift Key: press the A Key, or move the joystick to the left.
During game play, pressing the 5 Key, or holding the joystick to the right will display the word **"FREE":** scrolling will stop when the Time clock reaches the next hour mark. Then select which zone you wish to enter, using the controls above.

IMPORTANT:
You have a 24 Hour Time Limit to complete the mission: see clock at the top of the screen. Gain time by hitting the fuel pods or the oil barrels. Loss of Time to complete the mission is your greatest penalty.

CASSETTE LOADING INSTRUCTIONS:
Type **Load** Press **Return**
